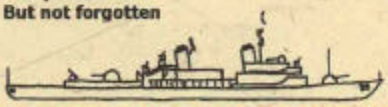
in memory of
HMAS Hobart DDG-39
Shipmates lost
But not forgotten



Chief Petty Officer Raymond H. Hunt
Ordinary Seaman R. J. Butterworth

Lost to friendly fire on June 17, 1968.

They shall not grow old,
as we that are left grow old:

Age shall not weary them,
nor the years condemn.

At the going down of the sun
and in the morning

We will remember them.

Lest we forget.
